

Accessibility Guide

Welcome

At Cornish Riviera Holidays, we want to make everyone's stay as enjoyable and as safe as possible and are committed to providing suitable access for all our guests, whatever their individual needs. We aim to accurately describe our facilities and services to give you the confidence to book the right property for your specific requirements. We strongly recommend that on arrival, you familiarise yourself with the layout of your holiday home including the location of exits, windows and keys, discuss with your party what you would do in the event of a fire and plan your escape route. We are mindful that everyone has different accessibility requirements so if you would like to discuss any aspect regarding accessibility of this property, please contact us on 01736 797891 and we will be glad to help.
